International Conference on
Innovations in Computing and Biosciences

PREAMBLE

The International Conference on "Innovations in Computing and Biosciences" aims to provide an unique platform for experts, academic scientists, researchers, educators, industrialists and students to collaboratively explore the exciting intersection of artificial intelligence, machine learning and biological research. The conference focuses on the latest advancements in using intelligent computing to address challenges in bioinformatics, computational biology, healthcare, agriculture and more. This event aims to inspire new solutions and drive innovation in both computing and biological sciences, ultimately benefiting society and addressing global challenges.

CALL FOR PAPERS

Papers are invited in the following sub-themes (but not limited to).

- Artificial Intelligence & Machine Learning
- Data Science & Big Data Analytics
- Internet of Things
- Robotics & Automation
- Computer Vision
- Natural Language Processing
- Deep Learning
- Cyber Security
- Cloud Computing
- Edge Computing
- Quantum Computing
- Sustainable Computing
- Healthcare AI
- Generative AI
- Industrial IOT
- Data Mining
- Image Processing
- Bio Computing

- Computational Biology
- Microbial Technology
- Biomarkers
- Waste Management
- Genomics and Proteomics
- Nano Biotechnology
- Food and Nutrition
- Biosensors and Biomedical Devices
- Topology
- Biotherapeutics
- Environmental Sustainability
- Bioinformatics
- Cellular and Molecular Biology
- Drug Discovery
- Graph Theory
- Fluid Dynamics
- Number Theory
- Operations Research

ICBS - 2026

GUIDELINES FOR PAPER SUBMISSION

- Abstract on conference themes are invited for presentations (online/offline) in the format (not more than 250 words, 1.5 line spacing in MS word with font size 12, Times New Roman, English).

- All the registered papers will be published in conference proceedings with ISBN number. Each author should register separately.

- Registration fee includes lunch, refreshment and conference kit. Certificate will be issued to the registered authors/participants. Best Paper Award will be honored for each track.

- Payment details available in the registration form.

- Abstract should be uploaded in the registration form.

Online & Offline Presentation Available

REGISTRATION DETAILS

- Registration form link:
  https://forms.gle/NCRGv6Peqsn8iUyM6

AUTHOR REGISTRATION FEE

- Students : INR 300
- Research Scholars : INR 600
- Academicians : INR 600
- Industrialist : INR 750
- Foreign Delegates : INR 1000

IMPORTANT DATES

- Last Date for Registration and Abstract Submission : January 10, 2026
- Conference Date : January 23, 2026

ABOUT SRCW

Sri Ramakrishna College of Arts and Science for Women enjoys the reputation of being a most preferred women's autonomous institution for higher learning in the city. With an academic heritage of over 34 years of existence, the institution fulfils the holistic educational needs required for the empowerment of women. The institution is ranked in the 201 – 300 band in the National Institutional Ranking Framework (NIRF), the annual ranking exercise of higher education institutions by Ministry of Education, Government of India. The college is funded by Department of Science and Technology (DST) under the Fund for Improvement of Science and Technology (FIST) towards enabling facilities for promoting R&D activities in new and emerging areas in addition to funding from ICSSR, AICTE, NHRC, TNSCST etc. With 12 UG Programmes, 4 PG programmes and 6 Ph.D. Programmes, the institution has produced 13000 graduates in UG and PG since inception and has secured 430 university ranks including 59 gold medals. The institution is ranked among the Top 10 Best Colleges in India (7th Rank) under the category – Education World Grand Jury Higher Education Ranking 2025 and "Skill Development Leadership Award 2025" by the World Skill Development Congress at Mumbai for its upskilling initiatives to enhance the employability of the students. The institution is ranked among the Top 100 Colleges in the surveys conducted by the Week, India Today, Times B School, Open Magazine etc.

ABOUT QUEST INTERNATIONAL UNIVERSITY (QIU)

Quest International University (QIU), located in Ipoh, Perak, Malaysia, is a private, research-led institution established in 2008. It offers a wide range of programmes — from foundation and undergraduate to postgraduate courses — in fields such as medicine, allied health, business, engineering, social sciences, and pure sciences. The university emphasizes experiential, student-centered learning with industry exposure, clinical and industrial training, and soft-skill development. Its mission includes producing graduates who are not only academically competent but also socially responsible, innovative, and ethical. The university is regulated by Malaysia's Ministry of Higher Education and its programmes are accredited by the Malaysian Qualifications Agency (MQA).
