

## ICCIDS 2024

7<sup>th</sup> International Conference on Computational  
Intelligence in Data Science

February 21 - 23, 2024

Organized by

Department of CSE, Sri Sivasubramaniya Nadar College of Engineering,  
Rajiv Gandhi Salai (OMR), Chennai, Tamil Nadu, IndiaWebsite link : <http://iccids.in/>

Theme : AI based Knowledge Discovery and Management

Proceedings will be published in Springer IFIP AICT  
(Advances in Information and Communication Technology) series indexed by ScopusLink for previous four editions - <https://link.springer.com/conference/iccids>

## Conference topics

- AI-based Knowledge Discovery and Management
- AI-Enabled knowledge management, framework, and control
- AI-powered Knowledge-as-a-Service (KaaS)
- Predictive Intelligence for Knowledge Management
- Natural Language Processing techniques
- Applications of AI in computer vision
- Speech processing techniques
- ML/DL algorithms in intelligent autonomous systems
- Deep neural networks-based frameworks and algorithms for Energy Efficiency

Paper submission deadline : December 20, 2023
